Help Us Reach Our Goal and Move Under One Roof by Leaving a Legacy...

Our Under One Roof Legacy Walkway is made up of engraved bricks that will lead to the steps of the YWCA's new building addition, bringing our critical programs that serve women, children and families to a state-of-the-art center-city campus. It will truly be a place of life and history for the YWCA. Bricks along the walkway are available for adoption by families, friends, participants, volunteers, board, staff and the greater community. This is a beautiful way to honor a loved one or leave your own legacy. You can help us reach our goal by purchasing a brick for just $100!
