ywca

southeastern massachusetts

dear ywca family &

On behalf of the Board and Staff of the YWCA Southeastern Massachusetts, it is my great pleasure to present to you our annual report for fiscal year 2014. It is so hard to believe that another year has come and gone. This has been a year of many changes as we are now halfway through our 2013 - 2015 strategic plan!

The YWCA consolidated services and programs into four departments: Adult Services, Youth Services, Residential Services and Health and Wellness. Our Medical Transportation Program is now part of the Health and Wellness Department and Girls Exclusive, Girls Giving and Growing and Tween 2 Teen are combined into one program: Girls Exclusive After-School and Summer Program serving girls in elementary, middle and high school. We now offer racial justice and economic advancement classes in English, Portuguese and Spanish and expanded our health and wellness

offerings to include diabetes outreach in New Bedford, Fall River and Wareham.

For the second year in a row, our YWCA was a top three finalist for the YWCA USA Economic Advancement Award! It is a true honor to be recognized by our national office and our peers across the country for our work in economic advancement and leadership development of young women.

In making changes to our programs we also restructured our staff to create a position solely dedicated to development and communications. We also increased our YWkids and Girls Exclusive staff members to serve more youth in the community. Over the next year we hope to continue to expand our youth program offerings in the region.

We continued to enhance our social media and web presence by revamping our old website and creating a new one that is fresh, light and user-friendly on iPhones, iPads, and tablets. We added a blog to our website and featured 80 girls in our I am YWgirl Facebook media campaign. Hopefully, you follow us on Twitter as well. We will continue to enhance our communication with you as we continue to make progress on our capital campaign and increase our programs and services in southeastern Massachusetts.

Our advocacy efforts locally, statewide and nationally focused this year on violence against women, immigration, paid sick leave, increasing minimum wage, and education. We participated in voter registration and provided information to the public about the importance of voting and making your voice heard. We hope to build on these efforts in the future as we gear up for the 2016 Presidential election.

We dedicate this annual report in memory of two very special women that we lost this year: Leonora Whyte and Joan Yotides. Leonora was the YWCA Southeastern Massachusetts' oldest and longest member, she voted in every election and attended every Annual Meeting. She was also the mother of former YWCA Executive Director, Yvonne Drayton. Joan Yotides was the YWCA Widowed Persons Director who retired in September 2013 after 19 years of service to the YWCA. Both are true YWCA women in every sense of the word. We miss both of them tremendously and both of their memories will live on forever in our programs and services.

In closing, I would like to thank the truly committed and dedicated YWCA Board, Staff, members, volunteers and donors that help make all of this happen on a daily basis. Without you the YWCA would not be able to accomplish all that we do. Thank you also for your continued support and as we work to increase the capacity of the YWCA so that many more women, girls and families can access needed services in our community.

Gail M. Fortes

Gail M. Fortes
Executive Director

friends,

Dear Friends,

This is the time of year when we reflect on the past year's success and also take a look at areas we need to improve upon. In 2014, we continued to work through and manage the initiatives set forth in our strategic plan...the capital campaign, programming, resource development, and more...being nimble was a must, as many adjustments needed to be made along the way. Fortunately for us, we have a mission that guides us and keeps us motivated to forge on!

"eliminating racism, empowering women and promoting peace, justice, freedom and dignity for all..."

Some of society's greatest challenges wouldn't you say? We view that statement as hope for a better future... for every individual, every family, every community and even every country.

Right from the start, the Board placed Advocacy as a top priority on our strategic initiative list. Advocating for that mission and rallying around those that have been treated unjustly continue to be an area of success, as well as, improvement for us. 2014 brought many opportunities to get involved in the areas of racial justice, domestic violence awareness, women's reproductive rights and LGBTQ issues. We wrote Op-eds, partnered strategically with other organizations for a greater reach, and most recently, led an effort to educate and register voters in our communities. Our Board is committed... you haven't heard the last from us!

And it's not just the Board that is passionate about the mission. Our dedicated staff has done an incredible job at expanding our outreach, while strengthening our programs and services.

As you read this annual report, I hope it will remind you of our recent successes and energize you for the future as you envision the mission of the YWCA in 2015. For those of you who have tirelessly committed time and energy to the success of this organization, I thank you. For the many of you who are new, I welcome you to the YWCA Southeastern MA. The Board and I look forward to working with all of you in the year ahead.

A handwritten signature in black ink, appearing to read 'Nicole Almeida'.

capital campaign

under one roof

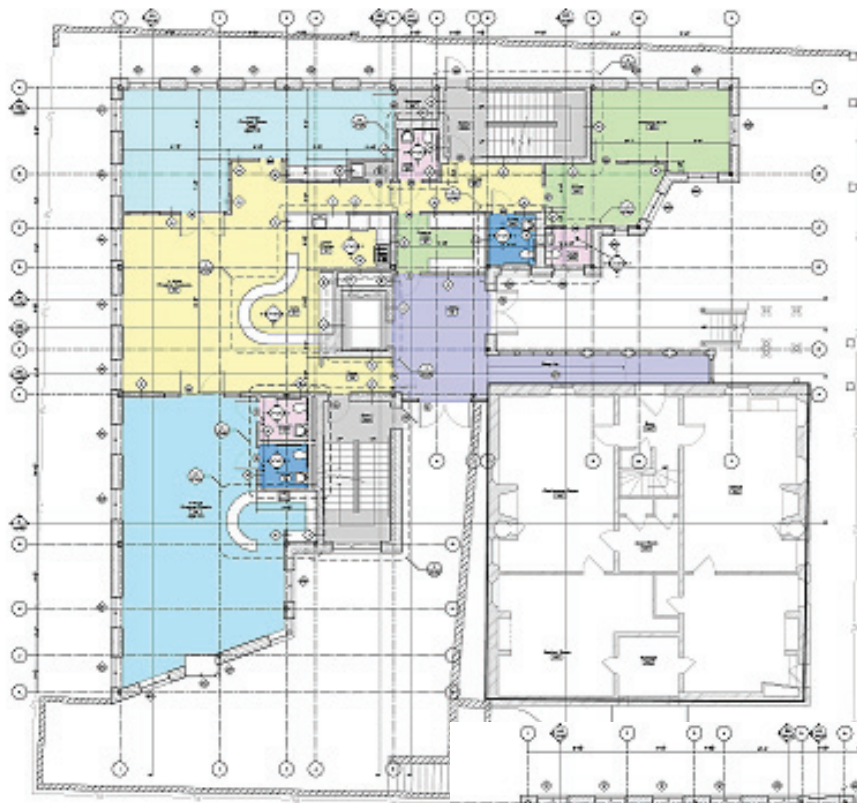

We are so very close! We are in the final stages of the YWCA's \$3.8 million Under One Roof capital campaign for a LEED-certified, 17,320 square foot building addition adjacent to the restored Levi Standish House. This long-awaited project is about to become a reality for the YWCA, all those who benefit from our programs and services, and for the Greater New Bedford community. We simply cannot wait to break ground on this transformational project.

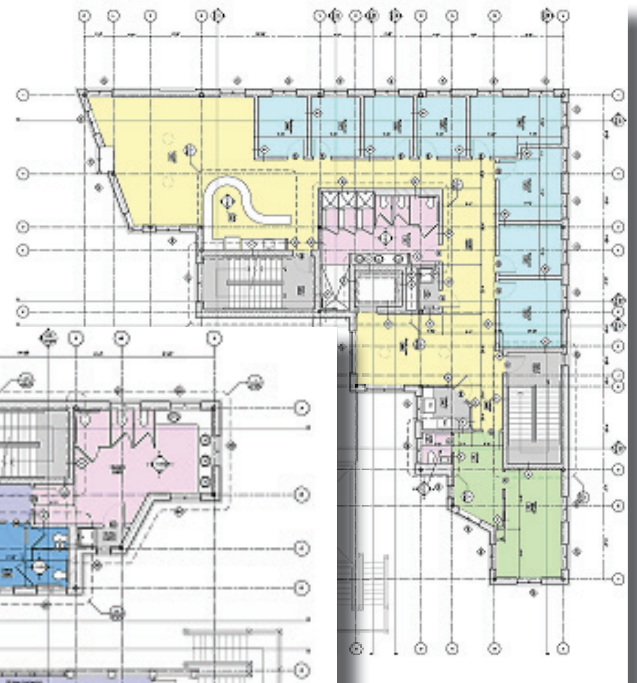

Construction documents from Litman Architecture are anticipated to be delivered to the YWCA in the Winter of 2015. Then the project will be ready for the public bidding process and an anticipated Spring 2015 groundbreaking! During this exciting time, we must reach the final campaign goals in public and private support. Funding above this goal further reduces our long-term credit facility. Thus, we continue to seek generous donors to this substantial new building project.

There are several prominent naming opportunities still available such as:

- First Floor and Foyer (YWkids Childcare) \$250,000
- Second Floor and Foyer (Teens & Women's Resource Center) \$250,000
- Third Floor & Foyer (Women's Residence) \$250,000
- Multipurpose Community Room (2nd Floor) \$100,000
- Elevator and 2nd and 3rd Floor Elevator Lobbies \$100,000 (combined)
- YWkids Commons \$50,000
- YWkids Library \$50,000
- Women's Residence Lounge \$50,000
- YWkids Meeting Room \$25,000
- Another Women's Place Kitchen \$25,000
- Another Woman's Place Study Area \$25,000
- Another Women's Place Bedrooms \$10,000 each (4 Remaining)
- Room Furnishings \$5,000+

"I'm pleased that the Patrick-Murray administration has joined the City of New Bedford in supporting "Under One Roof," said Mayor Jon Mitchell. "This level of investment on the part of the Commonwealth is a clear validation of the quality of this project. I congratulate the YWCA for their tireless efforts on behalf of New Bedford families, and thank the Patrick-Murray administration for their continued support of projects that improve the quality of life for New Bedford residents."

"The YWCA provides crucial services to area women in need," Senator Montigny said. "The \$1 million grant will not only preserve the historic nature of the YWCA's Levi Standish House but allow it to be adapted for the many modern uses needed by the YWCA to further its mission to aid women and children."

"These funds will allow the YWCA to expand the critical services it provides to women and children in the SouthCoast," declared Representative Antonio Cabral.

"Governor Patrick and I were pleased to work with the YWCA Southeastern Massachusetts and support funding that will allow the YWCA to continue to do great work more efficiently in the region, while also preserving its historic building," said Lieutenant Governor Timothy Murray.

YWkids School Age Program

"I feel safe here. I love the staff, they help us. I have fun." --Jamie, age 8

"I love the fieldtrips during the summer. The Pawsox game was my favorite." --Dah'Sean, age 7

"I like that we learn new things and we do marches against violence." --Jaliyah, age 9

"I love doing clubs here. I love science." --Elijah, age 10

"Really? I love everything here! Making friends, playing outside and at the park, the staff. It's the best!" --Efren, age 10

Girls Exclusive

"I think Girls Exclusive is good because I love meeting new people." --Kiarrah

Residential Services

"The Residential Program run by the YWCA has changed my life. It is a residential program for women in recovery. I am a 59 year old woman who battled addiction for years. Today, I actually have a home at A Women's Place. The house itself is beautiful, but the caring way in which the house is run by a group of very special women is the true gift. They have taught me to be responsible, accountable, and how to live on my own. There are many success stories at the YWCA Residential Program. It has afforded me an opportunity to live a clean and sober life and be a productive member of society. I will be forever grateful!" --Linda
